

START SAVING THOSE COINS!

MARCH 23-27, 2026

Classes will compete throughout the week to collect the most SILVER COINS, but BEWARE, other classes can throw some pennies and paper money into another classroom's jar, and it counts AGAINST the silver earned.

***DO NOT** send in "rolled" coins as these are extremely difficult to remove from the jars.

***Funds raised will go to World Vision's Hunger Relief Program.**

***The winning class will receive an extra recess.**
