*The vision of Penn Christian Academy is to graduate young leaders and scholars who think and act from a Christian worldview. To execute our vision, the primary goal is to make sure our students have a relationship with Jesus Christ. At every level, students are taught to lead the way Christ taught us to lead—through humility and service. At PCA, we partner with families and churches to raise up the next generation of Christ-followers to impact their communities for the Kingdom. Through your support of the Trap Shoot, you are joining PCA in that partnership and ensuring the growth of our program development. It is through the support of our partners that we can continue to develop young leaders for life and to graduate new disciple-makers.*
