Some Songs For Singing

Mary Brewer, mother of two PCA alumni and one PCA preschooler, has written a group of worship songs over the past few years for the church, and recently has had them professionally mixed and mastered and put together a 5-song EP called *Some Songs for Singing*. She is using this musical project to raise money for Voice of the Martyrs, which helps Christians all over the world who are persecuted, beaten, imprisoned, tortured, and murdered for their faith in Jesus Christ. When you preorder this music, you can choose from several different options to benefit Voice of the Martyrs. So you get the music and the blessing of giving! Go to awakemylyre.com to hear the music, pre-order the EP, and find out more about this fundraiser.
